

PIMA ASSOCIATION OF GOVERNMENTS
COMMITTEE FACT SHEETS

Transportation Improvement Program (TIP) Subcommittee			
Type: Standing Advisory Committee			
Committee Established: 1975		Expected Sunset: Ongoing	Form Updated: February 2013
Purpose: To oversee preparation of and provide technical planning services in support of the annual development, project selection and funding recommendations for transportation projects in the Transportation Improvement Program (TIP). To maintain the current TIP through amendment and other actions as necessary, and to monitor the implementation status of the approved TIP projects. Note: Project proposals which may be developed through other committees that would require TIP funding are reviewed by the TIP Subcommittee.
