Phoenix, AZ 85007-3213

Dear Mr. Carpenter:

Enclosed is a copy of Amendment #6 to the FY 2013-2017 TIP. This is an administrative amendment that will do three things.

- First, it moves funds from an old safety program to a new one. The scope of work is identical between the two projects.
- Second, it transfers sponsorship of the Regional Signal Traffic Signal Operations Program to the City of Tucson.
- Third, it will clarify that the scope of work on a recently amended project includes the purchase of capital.

I have reviewed the amendment and I concur that it meets with established policies for an administrative amendment on behalf of the Pima Association of Governments.

Copies have been emailed to the ADOT Phoenix staff shown on the distribution list below. Please feel free to make additional copies for any other ADOT staff that may have a need to know.

Thank you for your assistance.

Sincerely,

Cherie Campbell
Interim Executive Director
