Phoenix, AZ 85007-3213

Dear Mr. Carpenter:

Enclosed is a copy of Amendment #8 to the FY 2013-2017 TIP. This is an administrative amendment that will do two things.

- First, it adjusts funding levels on four inter-related projects to match existing funding levels in each of those projects. These projects are located on Catalina Highway and are funded through the Public Lands Highway Fund.
- Second, it provides an administrative adjustment to the level of RTA funding on two projects with RTA funds.

I have reviewed the amendment and I concur that it meets with established policies for an administrative amendment on behalf of the Pima Association of Governments.

Copies have been emailed to the ADOT Phoenix staff shown on the distribution list below. Please feel free to make additional copies for any other ADOT staff that may have a need to know.

Thank you for your assistance.

Sincerely,

Cherie Campbell
Interim Executive Director
