### 1. Call to Order

The meeting was called to order at 2:00 p.m. by Steve Cheslak.

### 2. Introductions/Announcements

Members were asked to sign the in-kind form. Josh Pope briefly expressed the changes in PAG's organizational structure since the last PopTech meeting. He introduced the new coordinators Hyunsoo Noh for the Modeling team and Julie Jamarta for the GIS team.

### 3. Population Estimates and Projections Overview

Thara Salamone from the Office of Economic Opportunity (via webinar) explained the methodology of county population projections and presented the draft of 2018-2055 Arizona county population projections. Caroline Leung briefly presented the methodology of the county population estimates and explained the status of progress.

### 4. Overview of Upcoming Deadlines

Hyunsoo Noh announced the timelines and deadlines for county and sub-county population estimates and projections, Census Bureau Participant Statistical Areas Program (PSAP).

### 5. Next Steps

PAG will be scheduling additional PopTech meetings for the upcoming population estimates, projections, and land use model updates.

### 6. Adjournment

A motion to adjourn was unanimously approved. The meeting was adjourned at 3:10 p.m.
