Comment Sheet
2016-2020 Transportation Improvement Program (TIP)

The region's leaders want to know what you think about proposed transportation projects for the 2016-2020 Transportation Improvement Program (TIP). Please take a moment to review the maps and/or lists of proposed TIP projects, or talk to transportation professional, and then please answer the questions below.

1. What specific comments do you have about the proposed 2016-2020 Transportation Improvement Program (e.g. are there projects that should be deleted or added to the proposed list)?

2. In what way do you feel the proposed 2016-2020 TIP project(s) might affect you or your immediate neighborhood either positively or negatively (e.g. increase safety, increase access to jobs and services; relieve congestion; other impacts on the environment, neighborhoods and/or businesses, etc)?

3. The Transportation Improvement Program is a financially constrained program, where the cost of the projects cannot exceed the available funding. Federal regulations require that you have an opportunity to comment on this 5-year financial plan explained in the proposed 2016-2020 Pima Association of Governments' Transportation Improvement Program in Appendix 2. This section is labeled "Fiscal Constraint Analysis" and shows a year-by-year comparison of available funds, (revenues and expenses) allocated to PAG for the Transportation System.

Please provide any other comments or questions you may have regarding the financial plan.

4. Given the region's limited funding for transportation, please rate the relative importance of the following factors if you were making decisions about which transportation projects to fund in the next five years:
