

# A PACKAGE DEAL

## FY 2020-24 Transportation Improvement Program

Pima Association of Governments bi-annually prepares a 5-year Transportation Improvement Program (TIP) that identifies how federal, state, regional and local transportation dollars will be invested in the region to improve the transportation system. Projects identified in the TIP must match the dollars available during the 5-year period.

### BENEFITS OF REGIONAL TRANSPORTATION INVESTMENTS\*

**85** miles

Centerline miles of **ROADWAY** improvements

**26** miles

Improved roadways for **FREIGHT** movement

**44** miles

New **PAVEMENT** on roads in poor or fair condition

**6** projects

Rehabilitate **BRIDGES** that are currently rated in poor condition

**43** miles

Roadway **SAFETY** enhancements on roads with poor safety ratings

**15** projects

Improvements on **INTERSECTIONS** with fair or poor safety ratings

**56** miles

New or upgraded **SIDEWALKS**, shared-use paths and pedestrian facilities

**10** miles

Added **CAPACITY** to severely congested roadways

*\*Highlights of the \$1.2 billion FY 2020-24 TIP. The improvements are part of PAG's federally mandated capital improvement program. The TIP includes projects funded through the Regional Transportation Authority. Projects in the TIP and RTA plan must be identified in PAG's long-range transportation plan, the Regional Mobility and Accessibility Plan and match available dollars.*
