Dear Mr. Hoffman:

Enclosed is a copy of Amendment #0.2 to the FY 2020-2024 Transportation Improvement Plan (TIP). This administrative amendment adds a competitive grant funding award from the Federal Transit Administration to the City of Tucson through the Low or No Emission Program 5339(c).

I have reviewed the amendment and I concur that it meets with established policies for an administrative amendment on behalf of the Pima Association of Governments.

Copies have been emailed to ADOT staff in our TIP stakeholders distribution list. Please feel free to make additional copies for any other ADOT staff that may have a need to know.

Thank you for your assistance.

Sincerely,
